MEMORANDUM FOR: Chief, Contracts Division [redacted]
SUBJECT : Residual Inventory Contract [redacted] Task Order No. 2
REFERENCE : Your Memorandum, [redacted] dated 28 June 1963.

1. The contents of the copy of the residual inventory of T.O. #2 have been reviewed by the Development Branch. It is felt that the items listed would be of use in the laboratory and would be desirable. It is therefore recommended that they be secured.

2. Apparently [redacted] anticipating that Phase II of the contract would be a certainty, went ahead and bought several items.

3. It is not probable that any interest will be shown for the [redacted] proposal on their approach to an image enhancement viewer.

1. Pursuant to telephone conversation between Messrs.
[redacted] attached is the complete residual inventory
on Task Order No. 2. Your comments on the likelihood of whether
such accumulation was necessary and desirable will be appreciated,
as well as your opinion as to whether or not these items might be
used in the proposed image enhancement viewer. As you are aware,
your activity has indicated that the items reported on the initial
inventory (those marked with a single asterisk) can be utilized by NPIC.
The same people might be shown the complete list to determine whether
any additional items can be profitably utilized in the event that Audit
and Contracting Officer determinations are to the effect that these
items are proper charges to Task Order No. 2.
